<b>Name(s) of Reviewer(s)</b>		<b>Date</b>	

**NOTE:** All questions that address requirements contain the citation for the source of the requirement (statute, regulation, NOFA, or grant agreement). If the requirement is not met, HUD must make a finding of noncompliance. All other questions (questions that do not contain the citation for the requirement) do not address requirements, but are included to assist the reviewer in understanding the participant's program more fully and/or to identify issues that, if not properly addressed, could result in deficient performance. Negative conclusions to these questions may result in a "concern" being raised, but not a "**finding.**"

**Instructions:** This Exhibit is designed to evaluate the SHP grantee's compliance with the financial documentation required to demonstrate that the grantee has contributed its portion of acquisition, rehabilitation, new construction, operations, and supportive services costs for SHP projects. The Annual Progress Report (APR) provides the grantee's match information.
